The Traditional Breakfast

Back bacon, egg, Cumberland sausage, black pudding, lamb's kidney, potato cake and grilled mushroom and tomato.

£9.00

Our chef, Mark Johnson, takes as much care in sourcing the best available produce for breakfast as he does for the Club lunch and dinner. The sausages are organic and come from Eastbrook Farm. The free-range eggs are from Mabel Pearson's Burford Browns at Clarence Court. The black pudding is made in Yorkshire. The kippers are Manx or Scottish, depending on availability, the smoked haddock, from Aberdeen, is un-dyed and the smoked salmon is from Loch Fyne.
