

YOU ARE INVITED TO
THE SLOANE CLUB

IN PARTNERSHIP WITH HAYWARD & BRIX WINE CLUB

25.09.26

6pm - 9pm

HAYWARD and BRIX WINE CLUB come together at The Sloane Club for an evening celebrating exceptional wine, wellbeing, culture and connection.

More than a traditional wine tasting, it's an evening to discover something new, meet people, share plenty of laughs and experience the simple power of connection around a table.

Explore the people, places and ideas shaping a new chapter in Italian winemaking. With a particular focus on Piedmont, the evening will introduce a selection of producers who are bringing fresh perspectives and contemporary approaches to one of Italy's most celebrated wine regions.

Discover wines from Diego Rivetti, Palladino, Cascina Elena and San Fereolo, alongside Scarbolo from Friuli, with each wine carefully selected to showcase the character, diversity and evolving identity of Italian wine. Each tasting will be complemented by carefully paired canapés, designed to enhance the wines and create a considered food and wine experience.

Expect exceptional wines, considered pairings and engaging discussion
With Hayward bringing its expertise to the conversation on longevity.
