Whether marking a milestone or bringing people together, The Sloane Club provides a uniquely Chelsea setting for every occasion.

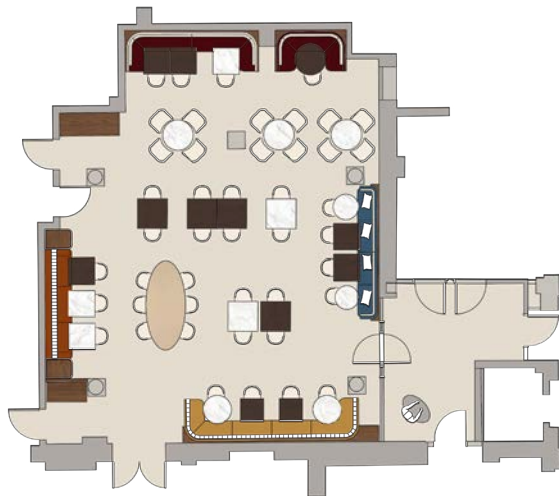

VENUS

At the heart of The Sloane Club lies Venus, our signature dining room, inspired by the iconic statue of Venus in Sloane Square.

Bespoke artwork of the goddess of love and beauty, delicately handcarved into the walls, enriches the space, while a striking chandelier frames a glass skylight that bathes the room in natural light.

Elegant yet versatile, Venus provides a beautiful setting for a range of private events, from intimate dinners and wedding celebrations to sophisticated drinks receptions and private board meetings.
